Pulling For A Brighter Day

We, at Tundra Spirits are a group of dedicated volunteers committed to improving the quality of life for

abused/abandoned Siberian Huskies in our community. We have established a network of knowledgeable, caring individuals who can provide transport and foster care for those unfortunate huskies needing a new lease on life.

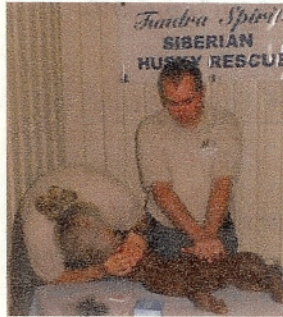

Our Members

The members of Tundra Spirits are dedicated "Sibe-Folks"! We are recreational mushers, trainers, behaviorists and professional care-givers. We have many years of experience working with and caring for the breed. We are always happy to provide advice and hands-on assistance to sincere Siberian owners.

Any Friend of animals is a friend of ours.

Help-A-Husky Program

Our unique programs allow volunteers to assist rescue efforts in many ways. We realize that not every one can foster a rescue, therefore volunteers can use skills in one of our any ongoing programs that best suits them. Please consider giving a deserving husky a chance at a better life and a loving home by sharing a personal or professional skill with us. We will provide training for the Volunteers to help with activities.
